

N C LIEW

Malaysia

Prof Liew Ngoh Chin is a Consultant General and Vascular Surgeon in Sime Darby Medical Centre, Subang Jaya and a Professor of Surgery in the University Putra Malaysia. He is the Past President of the Vascular Society of Malaysia and the organizing chairman of the ASVS 2017 congress. Prof Liew has been actively contributing to a new chronic venous disease guideline in Asia. He is also the main author of the Asian venous thromboembolism prevention guidelines, published in 2013 and updated in 2017. This guideline is a combined effort of multi-disciplinary clinicians across all major hospitals in Asia under the auspices of Asian venous Thrombosis Prevention forum, to which Prof Liew has been the Chair since 2010.
